

***SAINT MAXIMILIAN KOLBE NETS Sunday 23 March 2025***

**Greetings from Bedford.** The 40 Meter Net was a bit noisy this evening and started off with a little hostility from some of our friends in WI. However, I was able to talk them off the ledge and they gave us the frequency at 8:02 this evening.

**40 Meter Net**

W1WH - Bill

W2LY- Larry

K3QNT - Lloyd

KA3BPN - Tony

K3DVG - Dave

W1MCT- Mike

Conditions were good and very long, so lots of stations and QRM.

Bill **W1WH** is asking for prayers for the recovery of his XYL Jane. Larry **W2LJ** says he'll include us in his daily Rosary. Dave **K3DVG** enjoyed the Saint Joseph's Festival at his Parish. - It was great to hear Mike **W1MCT** back on the net. He's been having some issues at home.

John **KB3H** told us his 38 year old son will be undergoing open heart surgery. John said he has faith in his full recovery. Dave **KE8APO** has been volunteering at his parish pantry. Ned **W2NED** recommends the sermons by Father Dave Schmidt. - Ron **WA3VEE** is asking for continuing prayers for his ailing sister in law and his local friend Joe, who has been hospitalized for over 100 days! -Marty **KK4RF** has been using the Sacrament of Reconciliation and the Stations of the Cross with good effect. We welcome Sean **KE8ZTH** of Cincinnati to our net!

Finally, I spent some time on the twisted pair this afternoon with Sam **KB9UAG**. His XYL, Antenette, age 85, had a bad fall on a concrete sidewalk and fractured one of her vertebrae. She is now in a nursing home recovering. He is asking for your prayers.
