Great Net this evening. Condx were a little rough at first but band snapped back FB. Ned **W2NED** had to leave early so he could celebrate Mothers day in his household! Dominick **NR2Z** gave us a complete rundown of his journey to Poland and Lithuania. He visited several churches and other sites including the birthplace of several of his ancestors. He told us that in his local parish everyone was encouraged to write a thank you note to their priests for their vocation and service to the Parish. Fr. Mike **AD8N** asked any of us to contact him because he will be at the Dayton Hamvention. Here is his email: michael.mikstay@gmail.com.

Fr. Louis **KE8PAK** reported a successful exemplification ceremony in OH. Fr. Louis is the "Friar" for his local Assembly. Everyone seemed to be delighted with our new American Pope Leo XIV! As you have read, he is a graduate of Villanova University in the western Philadelphia suburbs.

Dominick NR2Z will take over Net Control duties on 40 Meters next week as I will be at the Dayton Hamvention.

Short Net

- KD8OFK - Stephan - West Virginia
- K3RMW - Bill - North Carolina
- HH6JH - Fr. John - Haiti
- N3CHE - Fr. Nick - Dallas (via e-mail)
- W3TOM - Tom - Maryland
- K1JJJ - Jim - Rhode Island - (via e-mail)
- W4FWN - Dan - Sanford Fla.
- NØVYU - Scott - Duluth MN
- K7PGD - Paul - Las Vegas

Real strange band conditions. The best signals were Fr. John and Dan.

K3RMW will be net control next week as I'm at the MN Knight State Convention.

73's and good net.
