Good net. Conditions were a bit rough with BCI and overall poor band conditions, but we got it done. Great group of guys. Attendance list attached (13 sign ins).

I hope you had a great trip and glad you were able to make a few Eyeball QSOs! I'm sure you bought equipment you didn't need, but had to have.

I enjoyed running the net, but you can have it back next week.

73,
Dominick
