

40 METERS

KC3BNV - Mark - Bethlehem, PA

Conditions were fine other than the shortwave station that joined our net uninvited. Kevin - **W3QD** announced that his Hagerstown, MD Parish has an additional priest. They are very lucky to have one as most are losing ground. Ron - **K2MR** asked for prayers for his son. Dave **K3DVG** reports that his parish St. John Neumann has a new altar thanks to the generosity of one of the parish families. Dave **KE8APO** said that he missed last week because he was on retreat. I hope it was productive for him. Bill **K3RMW** was delighted in that his parish just celebrated its 30th anniversary! And, Marty **KK4RF** and XYL Chatty have been traveling around the country visiting and welcoming new grandchildren into the world; latest arrival is Darla, daughter of son David. I guess this makes Darla his third harmonic!
